

Great Western Assets Pass \$400 Million-Mark

Great Western Savings and Loan Assn. has passed 400 million dollars in assets, making it the sixth largest savings and loan association in the nation. It was announced last night by Emil Seliga, executive vice president of the financial institution. Prior to reaching the 400-million-dollar mark, Great Western was ranked seventh in the nation's burgeoning savings and loan industry. Seliga made the announcement at the quarterly seminar meeting of Great Western's department managers, attended by Bill Thrasher, assistant secretary of Great Western and manager of its South Bay office. Seliga stated that the South Bay office has been important in establishing the record asset figure.

GUEST OF HONOR at the meeting was William N. Purmort, assistant vice president of the Federal Home Loan Bank of San Francisco. In congratulating Seliga and Great Western on passing 400 million dollars in assets, Purmort said, "The tremendous growth of the savings and loan industry in Southern California is a tribute to the thrift consciousness of the citizens of this area. Great Western has every right to be proud of its 36-year history of growth and safety."

Seliga told the seminar that the true picture of Great Western's progress is seen in the growth in assets from 12 million dollars in 1949 to 400 million dollars in 1961. Great Western's assets have increased at approximately 50 million dollars a year since 1955.

Torrance Girl Enrolled in Camp Joan Mier

Twelve-year-old Janice Farland, 2049 Kenwood Ave., has been enrolled for the second session of the Crippled Children's Society Camp Joan Mier to begin Monday. The camp, at the seashore above Malibu, is operating at limited capacity with the main lodge, swimming pool, and two of four dormitories completed, officials report.

Traffic Signal Installation Gets County OK

The Board of Supervisors today awarded a \$19,088 contract to C. D. Draucker, Inc. for the installation of traffic-actuated signals at the intersections of Lomita Blvd. with Pennsylvania and Vermont Aves., stated Supervisor Burton W. Chace of the Fourth District.

The Lomita - Harbor City area project was designed by the Los Angeles County Road department, and is scheduled for completion in Aug., Supervisor Burton W. Chace said.

Lomita Blvd. and Vermont Ave. are County Master Plan Major Highways.

Obedience to God's Law Assures Freedom Says Today's Sermon

How obedience to the law of God opens the way to freedom will be explained today in the Lesson-Sermon on "God" at all Christian Science church services.

Scriptural passages from the sermon will include these words of the Psalmist (119:33, 45), "Teach me, O Lord, the way of Thy statutes; and I shall keep it unto the end . . . And I will walk at liberty; for I seek Thy precepts."

Man's right to freedom as stressed by Mary Baker Eddy is brought out in selections from "Science and Health with Key to the Scriptures" where she says, "Discerning the rights of man, we cannot fail to for-

see the doom of all oppression. Slavery is not the legitimate state of man." "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker divine Truth and Love." (pp 227, 106.)

The Golden Text is from Deuteronomy (3:24), "O Lord God, Thou hast begun to shew Thy servant Thy greatness, and Thy mighty hand; for what God is there in heaven or in earth, that can do according to Thy works, and according to Thy might?"
